Policy Statement on the Recruitment of Ex-Offenders

1. Introduction

Unless the nature of the position allows the Liverpool City Region Combined Authority to ask questions about an applicant's criminal record, The Liverpool City Region Combined Authority only asks about 'unspent' convictions as defined in the Rehabilitation of Offenders Act 1974.

2. Equal Opportunities

The Liverpool City Region Combined Authority is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, marital status, age, disability, religious beliefs, sexual orientation or employment status. Details of all ethnic origin categories are available on the equal opportunities monitoring form.

The Liverpool City Region Combined Authority actively promotes equality of opportunity for all with the right mix of talent, skills and potential and welcomes applications from a wide range of candidates, including those with criminal records. The Liverpool City Region Combined Authority selects all candidates for interview based on their skills, qualifications and experience.

3. The Disclosure Process

The Liverpool City Region Combined Authority, as an organisation using the Disclosure and Barring Service (DBS) to assess applicants' suitability for positions of trust, complies fully with the DBS Code of Practice and undertakes to treat all applicants for positions fairly. It undertakes not to discriminate unfairly against any subject of a Disclosure on the basis of a conviction or other information revealed. The Liverpool City Region Combined Authority makes every subject of a DBS Disclosure aware of the existence of the DBS Code of Practice and makes a copy available on request.

The Liverpool City Region Combined Authority has a written policy on the recruitment of ex-offenders, which is made available to all Disclosure applicants at the outset of the recruitment process.

A Disclosure is only requested after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a Disclosure is required, all application forms, job adverts and recruitment briefs will contain a statement that a Disclosure will be required.

Where a Disclosure is to form part of the recruitment process, the Liverpool City Region Combined Authority encourages all applicants called for interview to provide details of their criminal record at an early stage in the application process. The Liverpool City Region Combined Authority requests that information is sent under separate, confidential cover and guarantees that this information will only be seen by those who need to see it as part of the recruitment process.

Having a criminal record will not necessarily bar applicants from working for the Liverpool City Region Combined Authority. This will depend on the nature of the position and the circumstances and background of their offences. The Liverpool City Region Combined Authority undertakes to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.

4. General Information

The Liverpool City Region Combined Authority ensures that all those who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. The Liverpool City Region Combined Authority also ensures that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.

The Liverpool City Region Combined Authority ensures that an open and measured review takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could result in an application being rejected, a conditional offer of employment being withdrawn or disciplinary proceedings which may result in dismissal should the information come to light after employment has commenced.
